SEMÁ:TH SCHOOL HOURS

8:55 am-Morning Bell

11:00 am-Recess Begins

11:15 am-Recess Ends

12:45 pm-Lunch Eating Period Begins

1:00 pm-Outside Play Time Begins

1:35 pm-Outside Play Time Ends

3:03 pm-Dismissal

**Office Hours 8:00-3:30 pm*

CLOSED CAMPUS

Please take note that Semá:th Elementary School is a closed campus. Our district's Administrative Procedure 301-Access to Students is meant to regulate access by any person or organization to students in the Abbotsford School District.

All visitors, including parents/guardians/caregivers, must:

- ✓ Report to the office and sign-in
- ✓ Obtain and display a visitor badge while at the school
- ✓ Return visitor badge and sign-out before leaving

CLASSROOM COMMUNICATION

Teachers welcome frequent communication with parents. Feel free to contact your child's teacher to set up a suitable time to talk about your questions and/or concerns.

If Problems Arise

- **First** - talk to the classroom teacher, before talking with others. If you are not satisfied...
- **Then** - talk to the principal.

If you are still not satisfied, then phoning the School Board Office @ 604.859.4891 may be the next step.

SCHOOL COMMUNICATION

Semá:th Elementary Website

Bookmark our school website for essential information such as calendar events and important announcements.

Friday Email Reminders

Parents that have given permission for email correspondence will receive a weekly reminder email every Friday outlining the important events coming up for the following week. Check your inbox!

STUDENT ABSENCES-3 WAYS TO REPORT

Every morning & afternoon, teachers take attendance in the classroom. If your child will be absent or late, please use the automated student attendance management system 'Safe Arrival' to report your child absent or late. 3 ways to report:

1. Use the SchoolMessenger app
2. Use the SafeArrival website go.schoolmessenger.ca
3. Call 1.844.487.3701

We use the SchoolMessenger automated notification system to contact parents whose child is absent when the absence is not reported in advance. The automated notification system

will attempt to contact parents at multiple contact points until a reason is submitted for the absence. Your cooperation in reporting student absences is appreciated.

LATE STUDENTS should check in at the school office with their parent/guardian to be signed in before going to class.

Student Absences-Long Term

On occasion, parents withdraw students from school for extended periods. When an extended student absence is contemplated, the parents/guardians are asked to contact the school principal as early as possible prior to the departure date. Consideration should be given to the impact of an extended absence on the educational progress of the student. Work packages may be requested but are provided to parents solely at the discretion of the principal in consultation with the classroom teacher.

STUDENT HEALTH AND SAFETY

****PEANUT & TREE NUT FREE CLASSES****

We are a "Nut Sensitive School". Due to students who are severely allergic to nuts (both tree nuts and peanuts), specific classrooms will be designated as "nut free" in September.

If a child is too sick to go out at recess and lunch, he/she is too sick to be at school. Sick children need to stay home until they are symptom free. In fairness to our other students and staff members, please do not send your child to school if there are definite signs of ill health in the morning. We do not have the facilities nor the personnel to care for sick children. Good health is necessary for effective learning. Our policy is to get sick children home as soon as possible. Our practice will be to call parents and/or emergency contacts and ask for the student to be picked up.

Emergency Contact Numbers: Make sure the school has your current phone number for home/mobile and work and a local emergency contact number. Also, please inform the office of any changes to these numbers throughout the year.

Illness or Injury at School: When a student becomes ill at school, we will make every effort to contact parents/guardians. This is when it becomes important that we have current contact information and emergency contact information on file. In any case of illness or injury, no students should go home on their own initiative but should seek assistance at the office. Accidents and emergencies are to be referred to the office immediately.

Administration of Medication to Students at School: We are trying to maintain a uniform, safe, and efficient way of dispensing medication at school. If your child requires medication to be administered at school and you have not filled out the required form "Request for Administration of Medication at School", please contact our office and request a form. Please have the form completed by your doctor, sign it yourself and return it to the school as soon as possible. This procedure complies with District procedures regarding medication to be administered at school. This form refers to medication taken on a regular or emergency basis. If there are any questions, please contact our school.

FIELD TRIP, FEES AND FINANCIAL HARDSHIP

Curricular field trips offer a wonderful opportunity for students to extend their learning. At Semá:th, we will ensure that all students have the opportunity to take part in these meaningful learning experiences. At times, a fee may be requested to assist in covering transportation and/or admission costs. If this request places a financial hardship on your family, please speak in confidence with the classroom teacher or principal. All children will have full access to these learning experiences and these fees will be covered with school funds if parents are temporarily unable to pay the required fee.

SCHOOL FEES & CONSENT FORMS

Pay fees and give consent online with Schoolcashonline

School fees such as planners, field trips and athletic fees should be paid for online. Field trip consent is also given online. Registered parents/guardians can see their payment history and print receipts for their child.

Register at <https://abbotsford.schoolcashonline.com>! It takes less than 5 minutes and once registered you will receive email notifications of new items that are posted.

**please note that schoolcashonline is for school fees only, not PAC fundraisers*

Fee Payment Procedures

Parents that are unable to pay online must come to the office to pay for fees. Please do not send money with your child. Also note that the office does not have any change to give.

PARENT VOLUNTEERS

Parent volunteers help make our school a better place.

Please note: Any volunteer working near or around children will need to have a criminal record check on file at our school PRIOR to volunteering. CRC's are valid for 5 years. This applies to ALL volunteers regardless of the amount of time spent volunteering. Check out the parent/student section of our website for more information.

Volunteer opportunities include on our PAC Executive, in the classroom, on field trips and supervising students at lunch time (paid position). Volunteer packages are available in the school office or by email and must be renewed each school year.

PARENT ADVISORY COUNCIL

The purpose of the Parent Advisory Council (PAC) is to promote and support education and to contribute to a sense of school community. PAC meetings give parents and school staff a time and place to talk about how to work cooperatively. **All parents and guardians of students registered at Semá:th Elementary are voting members of the PAC.** The PAC makes recommendations regarding: School Growth Plans, learning resources, school spirit, money matters, including fundraising and needs
The first regular PAC meeting for the 2024-25 school year will be on Tuesday, September 10th @ 9:15 am.

PAC EXECUTIVE 2024-25

President: Emily Bartsch

Vice President: Ashton St. Denis

Treasurer: Laura Van Leeuwen

Secretary: Erica Russenberger

PAC Email: semathpac@gmail.com

SCHOOL PLAN 2024-25

Semá:th Elementary's school goal for the current year is to improve all students' achievement in literacy and for students to develop social & emotional skill sets. Our school website content and PAC meetings will provide more specific information throughout the school year. For further information, also see:

<https://semath.abbysschools.ca/schoolplan/semath>

BEFORE & AFTER SCHOOL SUPERVISION

Teacher supervision starts at 8:50 am. **Please do not send your children to school before that time.**

Children must go home as soon as they are dismissed by the classroom teacher or sports coach. Children are not allowed to play on the playground after 3:03 pm unless supervised by a parent.

LUNCH PROCEDURES

Lunch time supervision is provided by paid parent supervisors. Unless students regularly go home for lunch, all students must remain on the school grounds. We emphasize a litter-free environment, and each student will be expected to take responsibility for maintaining it.

****If a child is too sick to go out at recess and lunch he/she is too sick to be at school. Sick children need to stay home until they are symptom free.***

OUTSIDE/INSIDE DAYS

Due to the number of rainy days we experience throughout the winter months, inside days will only be deemed necessary when it is raining hard. Please ensure students come to school appropriately dressed for outside weather. Students are required to come with coats and proper shoes to go outside when it is raining or snowing. On inside days, students are expected to remain in their classrooms, find a quiet activity to occupy their time and keep their voices down (no yelling or screaming). Occasionally, special activities (sports, Lego club etc.) may be offered by a supervised adult.

HEALTHY EATING AND LIVING

Semá:th Elementary encourages healthy eating choices as it can significantly affect student learning & behaviour. Parents/caregivers are encouraged to provide healthy choice foods for recess, snacks & lunch ie: items with added sugar are least beneficial. Additionally, please do NOT send students to school with caffeinated or energy drinks.

Student Centre: On occasion, students forget their lunch or have eaten it all and are still hungry. Our student centre is stocked with emergency snacks for those in need.

BUSSING/TRANSPORTATION

Bussing is available to catchment area students; fees may be involved. Bus registration is completely online. Check out our website for information on how to register. On occasion, if arrangements have been made in advance, children are allowed to have a friend join them on the bus ride home. If this is the case, the bus driver will require a note from the parent of the child visiting. The Transportation Department does not make exceptions and will not accept verbal or school permission. Further information is available online at: <https://facilities.abbysschools.ca/departments/transportation/facilities>

BICYCLE SAFETY

Parents are asked to review bicycle safety with their children. Helmets are **REQUIRED by law**. Please make sure their bicycles are safe. Bikes must be walked on school grounds and parked and secured with a lock in the bike rack at the front of the school.

ROLLERBLADES/SKATEBOARDS/SCOOTERS

For safety reasons students are not allowed to rollerblade, skateboard or scooter on school property.

PARKING LOT SAFETY

We have a very small and congested parking/drop-off area. Parents are asked to be especially careful when dropping off or picking up their children. Please do not drive through the bus loop. Please note what areas are designated as No Parking Zones and Staff Parking.

STUDENT PLANNERS

Teachers use different ways to communicate with parents. Planners are one such valuable communication tool. Planners are used to make daily entries, as well as parents and teachers can use them for home and school communication. Planners should be brought to school daily. Please check and initial the planner each day and refer to this handbook section of the planner to help answer any questions you may have.

HOMEWORK

Homework shall be monitored and assigned by individual teachers. Teachers may assign homework to practice a skill, to complete work or projects, and to read regularly. However, students also need time to play and participate in community activities such as sports teams, clubs and music programs. School district policy recommends the following homework schedule:

Kindergarten-Homework should not be assigned to Kindergarten students. There is a strong connection between parental involvement and student achievement. As a result, families are encouraged to engage in early learning activities such as playing, talking and reading together in English or in the family's first language.

Grades 1 to 5-There is a strong connection between daily reading to or with elementary children every day and student achievement. As a result, homework assigned in the early grades shall more often take the form of reading, playing a

variety of games, having discussions and interactive activities such as building and cooking with the family. In the late Primary and Intermediate grades, effective homework may begin to take the form of independent work. In both cases, homework assigned for completion, practice, preparation or extension should be clearly articulated and differentiated to reflect the unique needs of the child.

TELEPHONE USE BY STUDENTS

We discourage student use of our school phone in all but EMERGENCY situations because we feel it is important that lines be left clear for school business. School phones cannot be used by students to make plans for after-school activities with their friends; this should be done at home the day before.

STUDENT VALUABLES & PERSONAL ITEMS

Students are strongly discouraged from bringing valuables including cell phones, gaming devices, iPads, expensive clothing articles, toys and playing cards to school. Items are brought to school at the owner's risk; the school is not able to cover losses/damages. These items also often lead to problems between students. We ask for your cooperation in having children keep such items at home unless they are specifically requested by the teacher.

The School District believes that the use of cell phones and other multimedia devices by students should in no way interfere with the safety and privacy of students and staff. All such personal devices must be stored out of sight during school hours unless required by individual classroom teachers for approved educational purposes.

LOST & FOUND

All lost and found items will be placed on the "Lost & Found" rack located in the hallway near the office. Small items such as jewelry and glasses are kept in the office. Parents are strongly encouraged to check the lost and found throughout the school year. At school breaks and the end of the school year, all unclaimed items are donated. *Please label your child's jackets, gym strip etc. to help reduce the amount of misplaced clothing.*

STUDENT DRESS CODE

As per Abby Schools AP 318-Student Dress Code:

-Students are expected to adhere to specific school standards of dress

-A student's appearance or mode of dress will not be permitted to disrupt the educational environment or threaten health or safety

School dress code standards include, but are not limited to:

- Wearing apparel that is safe for the student and others participating in any school activities
- Avoiding attire that may cause excessive wear or damage to school property
- Avoiding attire that promotes hate of the diminishment of others based on the Canadian Charter of Rights and Freedoms, as well as the use of alcohol, tobacco, drugs, gang affiliations

INDOOR SHOES

Students are required to have **two pairs of shoes**: one outdoor pair and "inside only" **non-marking sole** shoes to be used as indoor/gym shoes. Due to health concerns, bare feet are not permitted at any time.

SCHOOL LIBRARY

We encourage children to visit our school library regularly. Our collection of books and magazines is growing. All classes have regularly scheduled library periods and teachers can schedule additional times. Students can take out one to three books at a time depending on their age level. Lost and/or damaged books must be paid for at the office before students can sign out any more.

PHYSICAL EDUCATION PROGRAM

Semá:th Elementary's Physical Education Program emphasizes active living through participation in a variety of movement activities, including games, gymnastics, dance and team sports.

These are the Physical Education guidelines:

All students are required to have indoor runners with non-marking soles. Due to health and safety concerns, bare feet are permitted during gymnastics only. Runners should be sturdy and good to exercise in. Please do not send your child with tie up runners if they do not know how to tie their own shoelaces.

Kindergarten to Grade 3 students do not change clothing for PE, however, they are expected to dress comfortably and to have proper indoor runners with non-marking soles.

Students in Gr 4 & 5 are expected to have proper gym clothing to change into: T-shirt, shorts and indoor runners with non-marking soles. When PE is held outside, children wear their outside shoes, which should be sturdy runners. Students keep their gym clothing in a bag at school from Monday to Friday.

Full participation in all aspects of the program (including swimming and skating) is expected. If medical reasons prohibit your child from participating, please send a brief note with your child on that day or for the time period involved.

AFTER SCHOOL PROGRAMS

Intermediate Sports Team Games:

Sport events at Semá:th usually start around 3:15 pm and end at 4:15 pm. Students from grades 3-5 must have a signed AP 308-6 Extra-Curricular Athletics Consent & Participation form to participate in after-school sports.

Sometimes intermediates have games at other schools. Arrangements for team games at other schools are made by the coaches. Transportation to these events is the responsibility of each player and arrangements should be made 24 hours ahead of time or the team may have to forfeit the game. When students go to other schools, they are representatives of our school; we expect excellent behavior and sportsmanship.

KIDS ZONE CHILDCARE CENTRE AT SEMÁ:TH

Preschool & Before/After Childcare

Mrs. Ruby Saroya (Director): 778-239-2075

kidszonechildcarecentre@hotmail.com

Registration is required. Please note that these programs are privately operated and not run and organized by Semá:th Elementary.

EMERGENCY RESPONSE DRILLS

Fire, earthquake, and lockdown drills are held on a regular basis throughout the year to practice student safety procedures.

EMERGENCY CLOSURE OF SCHOOL

Schools will be closed to ensure the greatest possible level of safety for students and staff during emergency situations which could include bomb threats, gas leaks, fire, smoke, power failure, extreme weather situations, earthquakes and other causes that may endanger students and staff. The Superintendent is responsible for all decisions relating to school closures.

To keep our phone lines open, please utilize one of the many other information mediums below and do not call our school to ask if we are open.

In the event that inclement weather causes the Abbotsford School District to close schools, either prior to the start of the school day or due to worsening weather conditions during the school day, parents will be notified by AUTOMATED PHONE MESSAGES and announcements will be made on the following media outlets by 6:00 am:

-District/School Websites (www.abbyschools.ca);

Opt-In to Receive Text Messages

Parents/guardians can now take advantage of SchoolMessenger's Text Messaging Service! Our school district utilizes the SchoolMessenger system to deliver important information about events, school closings, safety alerts and more.

Families can participate in this free service just by texting the word "JOIN" to our school district's short code number, 56360.

SEMÁ:TH ELEMENTARY CODE OF CONDUCT

Purpose: At Semá:th, we want all children to feel safe and secure both physically and emotionally. Through shared responsibility involving home, school and community, we strive to provide a safe, positive and orderly environment where all students can learn and grow as citizens. Our code of conduct takes into account the rights, freedoms and responsibilities of both individuals and the school community and clarifies expectations for acceptable and unacceptable behavior.

Conduct Expectations

Our code of conduct at Semá:th is designed to teach children to make choices which show that they:

- Care about others, themselves and their school.
- Use manners and appropriate social interactions that are polite and respectful.
- Display the qualities of a positive leader including being kind, safe, respectful and responsible.

It is understood that as students become older, more mature and move through successive grades, expectations of increasing responsibility and self-regulation will be evident. This may lead to increasing consequences for inappropriate behavior. Students are responsible for respecting the rights and dignity of others free from discrimination as set out in the B.C. Human Rights' Code.

Acceptable Conduct

While going to and from school and while attending any school function students are expected to:

- demonstrate with words and actions, respect for self and others
- be honest, forthright and kind
- respect the property of others and the school
- help make the school a safe, caring and orderly place
- inform an adult of any unsafe behavior including bullying, harassment or intimidation
- attend regularly and punctually
- work to the best of their abilities and act in a way that brings credit to their family and Semá:th Elementary
- be aware of and obey all school rules and guidelines.

Unacceptable Conduct

Unacceptable conduct is behaviour that:

- interferes with learning of others
- interferes with an orderly environment
- creates unsafe conditions
- acts of: bullying, harassment, or intimidation (including cyber-bullying)
- physical violence and aggressive play
- profane, demeaning or offensive language
- retribution against a person who has reported something to an adult
- illegal acts, such as: having or sharing an illegal or restricted substance, having or using a weapon, stealing or damaging property.

Consequences

The severity and frequency, age and maturity of the students are taken into consideration when unacceptable conduct occurs.

- responses to unacceptable conduct are consistent and fair
- disciplinary action, whenever possible, is preventative and restorative, rather than merely punitive
- students, as often as possible, will participate in the development of meaningful consequences for acts of misconduct and ways to make it right.
- unacceptable conduct may result in suspension from school as governed by the School Act.

Communication

School staff has a responsibility to inform other parties of a serious or reoccurring breach of conduct. For example:

- parents of student who breaks the rules
- parents of the student victim
- school district officials as required by board policy
- police and other agencies as required by law
- all parents in a situation deemed by the principal to be important to reassure members of the school community that school officials are aware of a serious situation and are taking appropriate action to address it.
